*Businesses using the Recycle Depot must qualify as Very Small Quantity Generators (VSQG). A VSQG is a business that does not generate more than 220 lbs. of hazardous waste or 2.2 lbs. of acutely hazardous waste each month or store more than 2,200 lbs. (approximately four 55-gallon drums) of hazardous waste at any time.

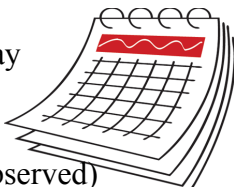

Exclusions may apply for universal waste.

Fill out the VSQG application on our website or call the office at 574-935-8616.

The Depot does not accept alkaline batteries, latex paint, textiles, household goods, scrap metal, explosives, lab gases, or smoke detectors. Please contact us for recycling & disposal options – we can help!
