\*Businesses must qualify as Very Small Quantity Generators (VSQG). A VSQG is a business that does not generate more than 220 lbs. of hazardous waste or 2.2 lbs. of acutely hazardous waste each month or store more than 2,200 lbs. (approximately four 55-gallon drums) of hazardous waste at any time. Exclusions may apply for universal waste. See [www.myrecycledepot.org/business](http://www.myrecycledepot.org/business) for more information.

**The Depot does not accept the following for disposal: construction debris or large loads of loose scrap, wood products, furniture, housewares or decor, Pyrex, explosives, ammunition, lab gases, narcotics and/or controlled substances. Please contact us for alternative recycling and disposal options - we can help!**
